

Putting economic analysis at the heart of retail insight

Retail Economics is an independent economics consultancy
focused on UK retail and consumer markets

Discover how we can help you...

Who we are

Retail Economics is an independent economics research consultancy focused on the UK consumer and retail industry.

Who we work with

We work directly with the retail and leisure industry and also with retail-related industries such as: financial, property, legal, media, retail solutions and government departments.

Why Retail Economics?

Our opinions shape debates. Our retail intelligence is world class. And our insights help drive the decisions of many UK retail brands and other corporations.

What we do

We supply retail intelligence and insights to various retail related industries through our world class membership service and consultancy.

Membership

Our membership packages provide the complete retail intelligence solution for your business. We offer complete flexibility with our tailored packages and maximum value.

Our services

- Membership Service
- Covid-19 Service
- Thought Leadership Service
- Economic Modelling
- Advisory & Business Planning
- International Trade
- Data & Benchmarking
- Media, PR & Comms
- CEO Insight Presentations

Our services

Retail Economics offers a wide range of services to fulfil both general and specific needs for retail intelligence.

Membership Service

Our membership service is a completely tailored, holistic, retail intelligence package. You tell us your requirements, we construct your package delivering maximum value.

COVID-19 Service

Better assess the ongoing impact of the coronavirus crisis; essential to inform critical decisions, mitigate risk and to plan ahead in these challenging times.

Economic modelling

Better understand how your key industry variables affect your organisation, such as: demography, socio-economic profiles, region, sector, policy, industry and skills etc.

CEO Presentations

Get the personal touch and interact face-to-face with the CEO of Retail Economics (City AM Analyst of the Year 2019 nominee).

Media, PR & Comms

Maximise impact and media traction for your projects and campaigns using our extensive industry expertise and well-established networks.

Thought leadership research

Be a prominent thought leader and command authority within your field by publishing thought leadership research. A complete end-to-end service.

Data & Benchmarking

Using industry standard methodology and best practices, we provide bespoke proprietary data and benchmarking services allowing you to accurately measure and monitor performance.

International Trade

Our international trade service arms you with critical insights needed to limit your risk, better inform strategies and navigate Brexit policies.

Advisory & business planning

Accelerate and grow your business with intelligent planning, forecasting and risk management using our business advisory service.

Membership

Choose from a range of bolt-on options...

Enhance and further tailor your membership package from a range of bolt-on options:

COVID-19 Service

Get impact assessment reports for the UK retail and leisure industry to help identify threats, "COVID-19 Quick Responses", consumer panel research, COVID-19 newsletters, economic chartbooks and more... [info >](#)

Retail Cost Base Index

Essential for improving your financial planning strategy. Gain a deeper understanding of your operating costs in order to manage risk. Learn how macroeconomic factors might affect your supply chain. Producer Price Index (inputs and outputs) data. Understand the impact of labour costs, business rates etc.

Shopper Sentiment Survey

Keep a finger on the pulse of what's driving UK consumer shopping behaviour. Identify the range of macroeconomic factors that influences household spending. Really understand your consumer base and the cost pressures they face. Identify opportunities within your sector.

Tailored Reporting

Get the precise data your looking for and accurately answer those tough questions. We can give you bespoke reporting tools which are relied on by executive teams to identify the need-to-know economic indicators and to interpret what they mean for your business.

Quick Response Service

Get the latest need-to-know retail news straight to your inbox. Choose: 1) Economic updates — GDP, consumer spending, retail sales, wages, house prices, credit and more; or 2) Retailer results — key financial results and critical retailer news reported for around 50 listed retailers.

Additional users

Need more user accounts? No problem, this bolt-on allows you to add additional users so you can share insights directly within your team.

Face-to-face presentation

Hear our thought-provoking views and opinions at your conferences, seminars, company away-days or board meetings. Get the personal touch from senior staff members — Richard Lim (CEO) & Stephen Robertson (Chairman) being in popular demand*.
