Who we are

Retail Economics is an independent economics research consultancy focused on the UK consumer and retail industry.

• We are economists and industry experts whose ethos is to put economic analysis at the heart of retail insight

• We’re completely independent which ensures unbiased opinions, predicated on a laser-like focus towards the consumer and retail industry

• Drawing out actionable insight for our clients, we analyse the complex retail economic landscape and leverage our own proprietary retail data and apply rigorous economic analysis
Who we work with

Retail Economics works with a variety of industries, providing unrivalled retail intelligence and insights.

Industries we work with

- Retail
- Financial
- Property
- Legal
- Media
- Solutions

• Improve your decision making using our proprietary data, analysis and forecasts
• Get a competitive advantage from our concise, timely and succinct retail insights
• Quantify the impact of digital influences on the customer journey for key decision making
• Quantify market size of key sectors, market share of major players and assess retailer intelligence
• Win business by better understanding your client’s operating environment using our retail insights
What we do

Our core proposition is based on three pillars:

- **Insight**
  We analyse the complex retail economic landscape and draw out actionable insight.

- **Data**
  We provide you with the very latest available data in a format that best suits you.

- **Consultancy**
  We simplify and communicate retail insights, explaining what they mean to you in a clear and succinct way.
Our services

Retail Economics offers a wide range of services to fulfil both general and specific needs for retail intelligence.

Subscription service
Our subscription service is a completely tailored, holistic, retail intelligence package. You tell us your requirements, we construct your package delivering maximum value.

COVID-19 Service
Better assess the ongoing impact of the coronavirus crisis; essential to inform critical decisions, mitigate risk and to plan ahead in these challenging times.

Economic modelling
Better understand how your key industry variables affect your organisation, such as: demography, socio-economic profiles, region, sector, policy, industry and skills etc.

CEO Presentations
Get the personal touch and interact face-to-face with the CEO of Retail Economics (City AM Analyst of the Year 2019 nominee).

International Trade
Our international trade service arms you with critical insights needed to limit your risk, better inform strategies and navigate Brexit policies.

Advisory & business planning
Accelerate and grow your business with intelligent planning, forecasting and risk management using our business advisory service.

Thought leadership research
Be a prominent thought leader and command authority within your field by publishing thought leadership research. A complete end-to-end service.

Data & Benchmarking
Using industry standard methodology and best practices, we provide bespoke proprietary data and benchmarking services allowing you to accurately measure and monitor performance.

Media, PR & Comms
Maximise impact and media traction for your projects and campaigns using our extensive industry expertise and well-established networks.

Choose from a range of bolt-on options...

Enhance and further tailor your subscription package from a range of bolt-on options:

<table>
<thead>
<tr>
<th>Bolt-on Options</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>COVID-19 Service</strong></td>
<td>Get impact assessment reports for the UK retail and leisure industry to help identify threats, “COVID-19 Quick Responses”, consumer panel research, COVID-19 newsletters, economic chartbooks and more... <a href="#">info &gt;</a></td>
</tr>
<tr>
<td><strong>Retail Cost Base Index</strong></td>
<td>Essential for improving your financial planning strategy. Gain a deeper understanding of your operating costs in order to manage risk. Learn how macroeconomic factors might affect your supply chain. Producer Price Index (inputs and outputs) data. Understand the impact of labour costs, business rates etc.</td>
</tr>
<tr>
<td><strong>Shopper Sentiment Survey</strong></td>
<td>Keep a finger on the pulse of what’s driving UK consumer shopping behaviour. Identify the range of macroeconomic factors that influences household spending. Really understand your consumer base and the cost pressures they face to identify opportunities within your sector.</td>
</tr>
<tr>
<td><strong>Quick Response Service</strong></td>
<td>Get the latest need-to-know retail news straight to your inbox. Choose: 1) Economic updates — GDP, consumer spending, retail sales, wages, house prices, credit and more; or 2) Retailer results — key financial results and critical retailer news reported for around 50 listed retailers.</td>
</tr>
<tr>
<td><strong>Tailored Reporting</strong></td>
<td>Get the precise data you’re looking for and accurately answer those tough questions. We can give you bespoke reporting tools which are relied on by executive teams to identify the need-to-know economic indicators and to interpret what they mean for your business.</td>
</tr>
<tr>
<td><strong>Face-to-face presentation</strong></td>
<td>Hear our thought-provoking views and opinions at your conferences, seminars, company away-days or board meetings. Get the personal touch from senior staff members — Richard Lim (CEO) &amp; Stephen Robertson (Chairman) being in popular demand*.</td>
</tr>
<tr>
<td><strong>Additional users</strong></td>
<td>Need more user accounts? No problem, this bolt-on allows you to add additional users so you can share insights directly within your team.</td>
</tr>
<tr>
<td><strong>COVID-19 Service</strong></td>
<td>Discover the value of a subscription by taking out a FREE 30 day trial on us... <a href="#">TRY FOR FREE ➔</a></td>
